WHAT DOES LEADERSHIP CAMP BUILD?

LEADERSHIP

Some of our state's most influential leaders are camp alumni who attribute their achievements to this trip. While in Colorado, you will learn about the cooperative business model, develop leadership skills, and listen to nationally-recognized speakers.

COMMUNITY

Nearly 100 high school students from electric cooperative communities in Colorado, Kansas, Oklahoma, and Wyoming participate in this leadership camp. Together, you will create a candy cooperative, run the camp activities, and build meaningful connections.

MEMORIES

From rafting on the Colorado River, touring a power plant, and exploring downtown Steamboat Springs — you'll be sure to capture memories to share on your Snapchat Story and remember for a lifetime.

"This camp has inspired me to have more confidence and not be afraid to put myself out there. This has taught me that I am capable of more than I give myself credit for. From now on, I'm going to be willing to try new things."

2022 SEDGWICK COUNTY CAMPER

IT'S NOT **JUST** ANOTHER TRIP

This trip is unlike any other. If selected, your local electric co-op will send you on an all-expenses paid trip to a rustic Colorado mountain camp with 100 other high school youth from four states. So pack your bug spray and hiking shoes, and get ready to build memories that will last a lifetime.

WHAT WILL YOU **DO** AT LEADERSHIP CAMP?

DAY 1 Meet the bus; dinner and overnight stay in Denver.

DAY 2 Check into the cabins and form a candy cooperative. Meet students from Kansas, Colorado, Oklahoma, and Wyoming.

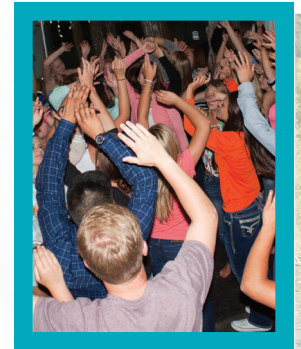

DAY 3 Participate in sessions and make your own transmission line from craft supplies. Travel to the top of Mt. Werner and attend a high-voltage safety demonstration.

DAY 4 Raft the Colorado River. Show your best moves at the camp dance.

DAY 5 Learn about yourself in the leadership workshop. Enjoy a live raptor presentation by Hawk Quest. Play in the volleyball tournament and participate in the camp talent show!

DAY 6 Tour Craig Generation Plant. Enjoy the end-of-camp banquet.

DAY 7 Load the bus, say goodbye to your new friends, and return home.

“The incredible speakers taught me so much about leadership and relationships at this camp, and I got to do it surrounded by people who are just as eager to learn as me. The counselors provided such a safe environment where we felt held and cared for, so it was easy to let ourselves learn.”

Kay Electric Cooperative's 2023 Youth Tour Contest

Dear Teachers and Students:

Kay Electric Cooperative in Blackwell, Oklahoma, is once again sponsoring its **Annual Essay Contest** for all **High School Juniors**.

FOUR ALL-EXPENSE PAID TRIPS AND \$1,000 IN CASH PRIZES

- ⇒ Two contestants will win a trip to Washington, D.C., for the “*Rural Electric Youth Tour*”, **June 16-22, 2023**.
- ⇒ Two contestants will win a trip to Steamboat Springs, CO, for the “*Cooperative Youth Leadership Camp*”, **July 14-20, 2023**.
- ⇒ Four cash prizes totaling \$1,000.

The top eight finalists on the written portion of the competition will interview with three judges on Tuesday, **February 28, 2023**. Following the oral competition, we will have a banquet for all contestants, their family and teachers in the Kay Room at the Kay Electric headquarters where we will name the winners of the all expense paid trips to the Rural Electric Youth Tour to Washington, D.C. and the Cooperative Youth Leadership Camp in Steamboat Springs, Colorado. The students winning 3rd and 4th place will win cash prizes.

If the student is chosen as one of the eight finalists, they **must accept** one of the eight awards, which will be determined by experienced judges. Entering the contest for the cash prize only is highly discouraged, as finalists do not know the outcome of their award until the evening of the banquet on **February 28, 2023**. **Once a student is chosen for one of the trips at the banquet, it is unacceptable to opt-out.** This would be unfair to other students who might have been able to attend the banquet and receive the award. The Washington, D.C. and Steamboat Springs winners will be required to participate in the trips. Both trips all expense paid trips are a chance of a lifetime! Please consider the requirements *before* entering the contest. **The deadline for all essays is Friday, January 13, 2023.** The essays must be delivered by mail or hand delivered to Kay Electric Cooperative by this date.
